

# VET OUTDOOR RECREATION APPLICATION

## GUIDELINES

### What is VET Sport & Rec – Outdoor & Environmental Elective?

This certificate is a two-year program which requires you to complete Units 1-4 in Sport & Recreation. It is studied as a VCE/VET course within the VCE or VCE VM certificate. If selected as part of your VCE studies, it can be one of your primary five subjects.

The program is designed to enhance students' employment prospects in the sport and outdoor recreation industry. The core units focus on improving students' ability to plan, manage, conduct and evaluate outdoor recreational activities, while the elective units concentrate on improving student ability to apply these skills in outdoor scenarios. The course is quite practical in its nature but does have a significant theory component that students need to complete in order to be deemed competent.

### Criteria

- At least 80% attendance average
- Positive behaviour record on Compass Chronicle
- Demonstrated interest in the area of Outdoor & Environmental Studies
- Ability to explain the reason for undertaking this subject
- Commitment to complete any set holiday work to an acceptable standard

When the criteria have not been met, but extenuating circumstances exist, applications will be considered on a case by case basis.

### Rules

All VET studies are open to application and early advancement, except where:

- The class is already full with students from its intended year level
- The class will not fit with the student's core/compulsory subjects
- Prerequisites have not been met

### How to apply

1. Complete the Application Form.
2. Select your preferred subject when making your subject selections.
3. Submit your application by the due date (see Key Dates on subject selection website).
4. Submit your New Student Subject Plan or Web Preferences by the due date.
