

# RE

## Living as a Christian Today

**Subject Code:** V2RRE

**Year Level:** 12

### Overview

- Compulsory for Year 12s not studying a 3/4 RE subject or Year 12 Youth Ministry
- Critically reflect on the human right to work
- Draw meaning from sacraments such as Matrimony and Holy Orders

### Detailed Information

In this subject you will explore vocation and what it means to live and work as a Christian in today's world. Investigate the issues arising from the right to meaningful work and leisure. You will become familiar with the sacraments of Matrimony and Holy Orders, a single way of life, and ordained and non-ordained ministries, as expressions of mission in the service of the Church.

### Assessments:

- Class discussions
- Reflections on a range of guest speakers
- Using scripture to help independent reflection
- Short answer tasks

# VET

## VET Building and Construction 1-2

**Subject Code:** V1VBC

**Year Level:** 11

### Overview

- Learn about building Industry
- Learn to use power tools
- Create timber Projects

### Detailed Information

#### 22338VIC Certificate II in Building and Construction Pre-apprenticeship

This certificate is a two-year program which requires you to complete units 1-4 in Building & Construction. It is studied as a VCE/VET subject within the VCE or VCE VM certificate.

### Units 1 & 2

In Unit 1 & 2 we focus on basic skills and knowledge in the building and construction industry. You learn how to use carpentry hand tools, carpentry power tools, Workplace Occupational Health & Safety and building calculations.

### Assessment

- Course work
- Written and practical assessment tasks
- No internal or external examinations

### What sort of student would like Building and Construction?

Someone interested in:

- Gaining some hands on skills in a trade
- An apprenticeship or a career in the building industry
- The building industry, e.g. plumbing, architecture, electricity.

### Pre-requisites

Unit 1 & 2 must be completed prior to commencing Unit 3 & 4.

## VET Building and Construction 3-4

**Subject Code:** V2VBC

**Year Level:** 12

### Overview

- Building with power tools
- Construction of a small townhouse
- How to be employable as an apprentice builder

### Detailed Information

## 22338VIC Certificate II in Building and Construction Pre-apprenticeship

This certificate is a two-year program which requires you to complete units 1-4 in Building and Construction. It is studied as a VCE/VET subject within the VCE or VCE VM certificate. If selected as part of your VCE studies, this subject will go towards your ATAR score.

### Unit 3 & 4

Unit 3 & 4 consolidates and expands upon the skills and knowledge gained during Unit 1 & 2. Areas covered include; building set out, subfloor framing, wall framing and external cladding.

### Assessment

- Course work
- Written and practical assessment tasks
- No internal or external examinations
- Students who complete the unit 3 and 4 sequence for VCE/VET Building and Construction will be eligible for an increment towards their ATAR (10% of the lowest study score of the primary four studies)

### What sort of student would like Building and Construction?

Someone interested in:

- Gaining some hands on skills in a trade
- An apprenticeship or a career in the building industry
- The building industry, e.g. plumbing, architecture, electricity.

### Pre-requisites

Unit 1 & 2 must be completed prior to commencing Unit 3 & 4.

## VET Engineering Studies 1-2

**Subject Code:** V1VES

**Year Level:** 11

### Overview

- Learn real world skills and gain knowledge about the engineering industry
- Learn to use hand and power tools
- Create projects using machines such as the lathe

### Detailed Information

## 22470VIC Certificate II in Engineering Studies

This certificate is a two-year program which requires you to complete units 1-4 in Engineering Studies. It is studied as a VCE/VET course within the VCE or VCE VM certificate. If selected as part of your VCE studies, it can be one of your primary five subjects. We teach you broad-based underpinning competencies in a range of engineering skills.

### Unit 1 & 2

You will work on growing your hand tool skills, increasing precision measurement with micrometers and vernier calipers, increasing your power tool ability and range as well as using lathes and cut off machines.

What does this mean for me?

We enhance your employment prospects for apprenticeships and traineeships. You are able to make more informed choices in the selection of vocational career paths and develop the social and personal skills

relevant to participation in the engineering industry.

## Assessment

- Course work
- Written and practical assessment tasks
- Internal end of semester examinations in first year of course
- Scored school based assessments (SACs) and external end of year examination in second year of the course

## What sort of student would like Engineering?

Someone interested in:

- Has an interest in seeking a hands-on career path
- Has an interest in developing the skills and knowledge that are applied across a variety of industries
- Wishes to develop their knowledge in how engineering concepts are adapted in the community.

## Pre-requisites

Unit 1 & 2 must be completed prior to commencing Unit 3 & 4.

## VET Engineering Studies 3-4

**Subject Code:** V2VES

**Year Level:** 12

### Overview

- Design and build your own project
- Learn the basics of welding covering a range of welding types
- Gain a deeper understanding of the Engineering industry

## Detailed Information

### 22470VIC Certificate II in Engineering Studies

This certificate is a two-year program which requires you to complete units 1-4 in Engineering Studies. It is studied as a VCE/VET course within the VCE or VCE VM certificate. If selected as part of your VCE studies, it can be one of your primary five subjects. We teach you broad-based underpinning competencies in a range of engineering skills.

### Unit 3 & 4

You learn welding competencies using the manual metal arc and gas metal arc process as well as the oxy-acetylene welding and cutting process. You will design your own project and build it as well as create a portfolio to accompany it.

### What does this mean for me?

We enhance your employment prospects for apprenticeships and traineeships. You are able to make more informed choices in the selection of vocational career paths and develop the social and personal skills relevant to participation in the engineering industry.

## Assessment

- Course work
- Written and practical assessment tasks
- Internal end of semester examinations in first year of course

- Scored school based assessments (SACs) and external end of year examination in second year of the course

Students wishing to receive an ATAR contribution for the scored units 3 and 4 sequence of VCE VET Engineering Studies must undertake scored assessment for the purpose of achieving a study score. This study score can contribute directly to the ATAR, either as one of the student's best four studies (the primary four) or as a fifth or sixth study.

Where a student elects not to receive a study score for the scored unit 3 and 4 sequence of VCE VET subject, no contribution to the ATAR is available.

## What sort of student would like Engineering?

Someone interested in:

- Has an interest in seeking a hands-on career path
- Has an interest in developing the skills and knowledge that are applied across a variety of industries
- Wishes to develop their knowledge in how engineering concepts are adapted in the community.

## Pre-requisites

Unit 1 & 2 must be completed prior to commencing Unit 3 & 4.

## VET Hair & Beauty 1-2

**Subject Code:** V1VHB

**Year Level:** 11

### Overview

- Explore your creativity in make-up design and beauty
- Understand and learn about hair structure, colour techniques and trending hairstyles
- Employment opportunities within the Hair & Beauty Industry.

## Detailed Information

### SHB20216 Certificate II in Salon Assistant

### SHB20216 Certificate III in Beauty Services

These certificates are a two-year program which requires you to complete units 1-4 in Hair & Beauty. It is studied as a VCE/VET course within the VCE or VCE VM certificate. If selected as part of your VCE studies, it will be a fifth or sixth subject of choice (not one of your four primary subjects).

## What does this mean for me?

You achieve a Statement of Attainment for the Units of Competency, and have a skill set to take into the hair, beauty and retail industries. You develop skills and knowledge in OH&S, communication, retail, lash and brow, design and application of make-up, shampooing, head, neck and shoulder massage and dry hair to shape.

## Assessment

- Course work
- Written and practical assessment tasks
- No internal or external examinations
- Students who complete a unit 3 and 4 sequence for VCE VET Hair & Beauty are eligible for an increment towards their ATAR (10% of the lowest study score of the primary four studies)

## What sort of student would like Hair & Beauty?

Someone interested in:

- A career in beauty and/or hairdressing
- Have a creative flair for hair
- Interests in hair, beauty and fashion.

## Pre-requisites

Unit 1 & 2 must be completed prior to commencing Unit 3 & 4.

## VET Hair and Beauty 3-4

**Subject Code:** V2VHB

**Year Level:** 12

### Overview

## VET Sound Engineering 1-2

**Subject Code:** V1VSE

**Year Level:** 11

### Overview

- Practical training in the setup and operation of audio equipment
- Hands on experience in digital audio recording
- Integrate practical course work into school community events, such as sound and lighting for school productions, etc.

## Detailed Information

### CUA30915 Certificate III in Music Industry (Sound Production)

This certificate is a two-year program which requires you to complete units 1-4 in Sound Engineering. It is studied as a VCE/VET course within the VCE or VCE VM certificate. If selected as part of your VCE studies, it can be one of your primary five subjects.

## Unit 1 & 2

We focus on the skills and information required to assist and work as part of a team performing basic tasks

within the music industry. You learn industry knowledge such as simple composition, copyright procedures and planning a career.

## What does this mean for me?

You learn to understand basic music industry knowledge, simple composition, copyright procedures and editing sound using digital systems.

We continue to develop your skills and knowledge in music technical production including recording and production techniques as well as providing sound reinforcement.

## Assessment

- Course work
- Written and practical assessment tasks
- Internal end of semester examinations in first year of course
- Scored school based assessments (SACs) and external end of year examination in second year of the course

**Students wishing to receive an ATAR contribution for the scored units 3 and 4 sequence of VCE VET Sound Engineering must undertake scored assessment for the purpose of achieving a study score. This study score can contribute directly to the ATAR, either as one of the student's best four studies (the primary four) or as a fifth or sixth study.**

Where a student elects not to receive a study score for the scored unit 3 and 4 sequence of VCE VET subject, no contribution to the ATAR is available.

## What sort of student would like Sound Engineering?

Someone interested in:

- Sound technology
- Finding out more about sound reinforcement, production and recording
- The music industry.

## Pre-requisites

Unit 1 & 2 must be completed prior to commencing Unit 3 & 4.

## VET Sound Engineering 3-4

**Subject Code:** V2VSE

**Year Level:** 12

## VET Sports Coaching 1-2

**Subject Code:** V1VSC

**Year Level:** 11

### Overview

- Help organise and run school sport carnivals
- Create, conduct and participate in fitness sessions
- Participate in engaging trips to Sports & Recreation venues

## Detailed Information

### SIS30115 Certificate III in Sport and Recreation

This certificate is a two-year program which requires you to complete units 1-4 in Sports Coaching. It is studied as a VCE/VET course within the VCE or VCE VM certificate. If selected as part of your VCE studies, it can be one of your primary five subjects.

The program is designed to enhance students' employment prospects in the sport and recreation industry. The core units focus on improving students ability to plan, manage, conduct and evaluate sport sessions,

while the elective units concentrate on improving student coaching ability. The course is quite practical in its nature, but does have a significant theory component that students need to complete in order to be deemed competent.

## Unit 1 & 2

You gain skills in occupational health and safety through first hand experiences in industry settings, completion of first aid certificate, dealing with clients and conducting sport and recreation sessions. Students assist in the running of school sports carnivals, developing and running fitness sessions and basic occupational health & safety laws.

## Assessment

- Course work
- Written and practical assessment tasks
- Internal end of semester examinations in first year of course
- Scored school based assessments (SACs)

## What sort of student would like Sports Coaching?

Someone interested in:

- The Sport & Recreation industry
- Interacting with people in a sporting environment
- Working in groups.

## Pre-requisites

Unit 1 & 2 must be completed prior to commencing Unit 3 & 4.

## VET Sports Coaching 3-4

**Subject Code:** V2VSC

**Year Level:** 12

### Overview

- Conduct sport specific coaching
- Facilitating skill development
- Enjoyment of the Sport & Recreation industry

## Detailed Information

### SIS30115 Certificate III in Sport and Recreation

This certificate is a two-year program which requires you to complete units 1-4 in Sports Coaching. It is studied as a VCE/VET course within the VCE or VCE VM certificate. If selected as part of your VCE studies, it can be one of your primary five subjects.

The program is designed to enhance students' employment prospects in the sport and recreation industry.
